

Can I ask the Minister of Trinity Church to conduct a funeral even if it is not in church?

Trinity's Minister is happy to be asked to conduct a service in a Crematorium or Cemetery. Arrangements are the same as for a service in church though it is important to note that time restrictions are necessary at our local crematoria. (Funeral Directors will be able to advise on this and, in the case of a large gathering and the desire for a longer service, it is worth exploring the option of asking for a 'double slot' [i.e. two consecutive 'times'].)
